

AltroClean 44Plus

Flooring cleaner

AltroClean 44Plus is specially formulated for cleaning Altro flooring. The enhanced solution removes grease, tough ground-in dirt and buildup in kitchens or other areas where hygiene is essential. It can be used to remove flooring polishes and coatings when a higher concentration is used.

Contains no solvent of isocyanate

- Can cause irritation by inhalation, skin contact and ingestion.
- When using, do not eat, drink or smoke.
- Do not empty into drains.
- Keep out of the reach of children.

General

Full maintenance details for Altro flooring are available from Altro. Visit altro.com/downloads.

Health and safety precautions

Keep containers closed and away from children. This is an alkaline cleaner. As with all alkaline cleaners, prolonged skin contact should be avoided. Wear rubber gloves.

Spillages

Flush with water until cleaner is thoroughly removed from surface.

Instructions for use

1. Sweep the floor.
2. Add AltroClean 44Plus to clean, warm water; the dilution rate depends upon the degree of soiling (see Dilution rate ratio chart).
3. Wait 5-10 minutes, this will allow the cleaner to attack the surface soil.
4. Apply with suitable equipment such as a deck scrubber, a machine fitted with medium or heavy duty pads and leave for several minutes for the cleaner to attack the surface soil.
5. Thoroughly rinse the floor with clean water and dry after use. **Failure to do so may damage the flooring.**

First aid

Skin: The affected area should be washed thoroughly with soap and water.

Eyes: In case of contact with eye, flush thoroughly with water. Seek medical attention.

Ingestion: Do not induce vomiting. Drink plenty of water and seek medical attention immediately.

Dilution rate ratio		
Soil degree	AltroClean 44Plus	Water
Regular	1	140
Heavy	1	35
Emulsion removal	1	10/20*

*Depending on emulsion based seal used

AltroClean 44Plus		
QTY	Description	Code
1 liter	1 liter cleaner	FC441PLUS/1L
5 liter	5 liter cleaner	FC445PLUS/5L
