Designed for possibilities.
Made for people.

NEW AND IMPROVED

Enhancements focused on the road ahead

Altro bus floors have been re-engineered for up to 20% weight savings, but it doesn't end there. We've also introduced a Heavy Duty Plus variant and added a range of other benefits to make the industry's first-choice safety flooring even better.

- Lighter
- Stronger
- More resilient
- Even better to install

Build quality from the ground up with the lightest 2.7mm safety floor.

The next step in safety flooring

altro

**Three great ranges.
The next step in safety flooring.**

Altro Transflor Meta™

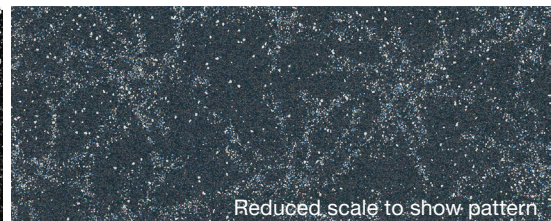

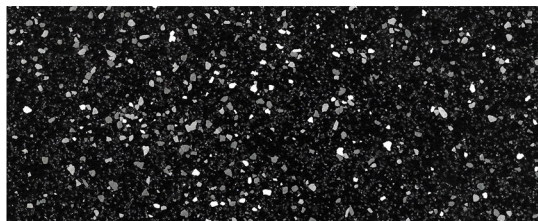

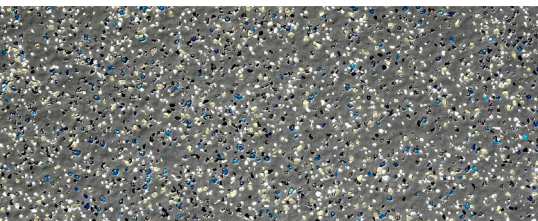

Altro Transflor Chroma™

Altro Transflor Figura™

Altro bus floors are now up to 20% lighter to help contribute to vehicle weight reduction. But Altro has gone the extra mile to make them even stronger, more durable and more resilient than ever.

Available in a unique light weight 2.7mm Heavy Duty Plus or 2.2mm construction, Altro bus floors facilitate installation efficiencies for a superior finish. Offering outstanding slip resistance, Altro floors provide the long-lasting quality necessary for heavy bus applications.

**Take the next step in safety flooring,
ask for Altro.**
