

Altro product warranty

Altro makes no warranties, whether express, implied or statutory, other than the warranty that the Altro products sold by Altro are free from defects in materials and workmanship with normal use and service within the specified term after the installation date, when installed and maintained in accordance with Altro's recommendations.

This warranty is the sole and exclusive warranty provided by Altro and is in lieu of any other warranty of any kind, express or implied, including but not limited to any warranty of merchantability or fitness for a particular purpose. No waiver, alteration, additions or modifications of the foregoing conditions shall be valid unless made in writing and signed by an officer of Altro.

All statements, technical information and recommendations concerning products sold or samples provided by Altro are based upon tests believed to be reliable but do not constitute a warranty.

All products are sold, and samples of products provided, with the understanding that buyer has independently determined the suitability of such products for its purposes.

Any claim made under this warranty shall be investigated by Altro.

Exclusive remedy

Correction of non-conformities, in the manner and for a period of time provided above, shall constitute fulfillment of all obligations and liabilities of Altro to Buyer relating in any way to the problem. The remedies set forth in this instrument are exclusive and represent Buyer's sole remedy. Altro shall not be liable for special, indirect,

consequential or incidental damages of any kind. Any action for breach pursuant to this warranty must be commenced within one year after the cause of action has occurred.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state or province to province. Some states or provinces do not allow limitations on how long an implied warranty lasts and they do not allow the exclusion or limitations of incidental or consequential damages so the above limitations or exclusions may not apply to you.

Nothing in this warranty affects your statutory rights as a customer.

All warranties must be submitted within 90 days of installation.

What to do in case of a problem

Buyer must contact the contractor who installed the product upon discovery of a problem with a product. If the contractor is unable to remedy the problem and Buyer believes the problem is covered by the warranty provided herein, or Buyer is dissatisfied with the contractor's response, Buyer must notify Altro, in writing, by certified mail of any failure to conform to this warranty within the specified term (see Term of Warranty chart) after the installation date and within thirty (30) days after the claimed defect first arises.

Buyer must retain all information and documents related to the problem until the matter is resolved. After Altro is so notified, Altro reserves the right to have an authorized Altro representative inspect and verify the defect. On receipt of notification, Altro shall correct any product that Altro determines is defective in materials or workmanship by, at its option, repairing the defective product or replacing such product from regular inventory product lines.
