

## IT'S TIME TO **REDISCOVER ALTRO**

### 25 YEARS OF ALTRO WALKWAY/VM20 AND STILL GOING STRONG!

Pound Road Veterinary Clinic has been treating pets in the South Eastern suburbs for over 25 years. They have two accomplished and reliable veterinarians and five qualified and dedicated veterinary nurses in their team, all of whom are passionate about helping pets live a happy and healthy life.

Pound Road Veterinary Clinic is well equipped to treat most medical and surgical conditions to a very high standard. They offer services in preventative medicine, diagnostics, micro chipping, surgery, dental care, grooming, hydro bath and puppy preschool.

Their aim is to provide the best possible pet care and to ensure their clients have a clear understanding of all diagnoses and treatments.

They came to Altro asking about cleaning recommendations as the floor had built up some grime over the years. We offered to clean the floor for them and it came up looking brand new.

Altro Walkway 20/VM20 has been around for 30 years now and continues to be a favourite choice among the flooring industry!
