

Budget build range Altro Lavencia LVT/LVP

updated 01/10/23

Select SKUS available in a more cost effective construction

We get it, sometimes projects get valued engineered, or the end-user needs to make consolidations in the budget. Altro has taken the initiative to offer our customers the option of a budget friendly build starting in 2023.

This budget friendly range of six visuals incorporates tones suitable for practically every project. They will give you the beautiful appearance and durable construction that you know and love about Altro Lavencia... just with a smaller price tag and slightly thinner construction!

- 2.5mm thick
- 12 mil wear layer
- UV-cured, ceramic reinforced finish
- 10 year light commercial warranty
- 15-year residential warranty
- \$2.15ft² USD
