Immediately remove any clothing that becomes wet or contaminated. Isolate contaminated clothing and wash before reuse. **DO NOT SMOKE IN WORK AREA!**

9.	PHYSICAL AND CHEMICAL PROPERTIES

Physical state: Solid trims
Odour: Negligible
Solubility in water: Insoluble

10.	STABILITY AND REACTIVITY

Hazardous decomp.products: Hydrogen chloride and carbon monoxide when burns
Hazardous properties: None under normal conditions. Stable.

11.	TOXICOLOGICAL INFORMATION

Rat oral LD50 [mg/kg]:   No data available

12.	ECOLOGICAL INFORMATION

LC50-96 Hour – fish [mg/l]:   No data available

13.	DISPOSAL CONSIDERATIONS

Disposal: Dispose in a safe manner in accordance with local / national regulations.

14.	TRANSPORT INFORMATION

General information: Not classified

15.	REGULATORY INFORMATION

Symbol(s):   None
R phrase(s):   None
S phrase(s):   22, 37

16.	Other information

Information source: Various manufacturers MSDS
Revision date: 6/3/2013
MSDS initially generated: 01/12/1994

The regulatory information given above only indicates the principal regulations specifically applicable to the product described in the safety data sheet. The users attention is drawn to the possible existence of additional provisions, which complete these regulations. Refer to all applicable local, national, and International regulations or provisions.

The above information is believed to be correct, obtained from sources, which we believe, are reliable, but does not purport to be all-inclusive, and shall only be used as a guide. This company shall not be held liable for any damage resulting from handling, transporting, use, or contact with the above product.
