Domestic bathroom transformed with Altro

Altro Aquarius™, Altro Whiterock Chameleon™

Dave was recently in the market for some safety flooring in his bathroom. He came into Altro to get some advice and was taken through the product range. He loved the idea of Altro Whiterock for his bathroom and lift lobby as well. Altro put him in touch with All Care Installations who did a wonderful job at his stylish apartment in Hampton.

Thermoforming the Altro Whiterock around the corners and using contrasting colours to add a high design element, the bathroom and lift lobby look fantastic and provide an easy to clean, hygienic and safe environment.

"Altro have given me some great service and recommendations including donating the material and putting me in touch with Dave at All Care for the installation, it has made the whole process very easy and seamless. I couldn't be happier with

the end result and it gives me great satisfaction to look at my bathroom and lift lobby each day. I wanted to pass on my thanks to the whole team at Altro who have been an absolute pleasure to deal with." - *Dave, Hampton Victoria*
