Torbay Hospital

Altro Orchestra looks the part in eye clinic

Altro Orchestra™

Torbay Hospital is South Devon's main hospital. It is run by Torbay and South Devon NHS Foundation Trust.

The eye clinic at the hospital required a floor refurbishment as the old carpet floor tiles were no longer suitable. The hospital needed a floor in blue to complement adjacent finishes. Altro met with the ward and building supervisors to discuss floor options. The Estates Building Supervisor worked closely with and was fully supported by Altro to choose the right product for the clinic. It was decided to use Altro Orchestra in 'Bassoon' and 'Soul' and helped the hospital to create a design for the eye clinic.

Roberts Flooring installed the Altro Orchestra. Scott Andrews, Estimator at Roberts Flooring said:

"We fitted out the Eye Surgery Waiting Room in two contrasting colours Altro Orchestra 'Bassoon' and Altro Orchestra 'Soul'. This was the design between Altro and Torbay hospital. Aesthetically the design looks really good. The floor was easy to fit, which you would expect from Altro.

We get a lot of work that already has a specification. I would have no problem with using Altro Orchestra again."

Paul Gaunt, Building Maintenance Manager, Torbay and South Devon NHS Foundation Trust said:

"The installation went really well, there was a noticeable difference to the floor area as the installation progressed. The waiting area now benefits from a more professional look with improved natural light using the two colours. Altro Orchestra is really easy to clean and can be machine cleaned."
