

NEW PRINTED FLOORING

LIGHTER

Re-engineered to be lighter than before without compromising safety, our bus flooring products are as light as they can be while still maintaining the safety and durability aspects we pride ourselves on.

GREENER

Environmentally friendly raw materials enable us to produce vinyl floors containing bio-plasticizers.

SAFER

Products contain a variety of aggregates embedded throughout the entire wear layer, offering greater sustained slip resistance and a **1 in a million chance of a slip**.*

*Based on PTV ≥ 36 and CIRIA, Safer Surfaces to Walk on

Now with *Easyclean*™ Technology ensuring easier to clean floors.
