Why choose Altro?

There's so much more to Altro than meets the eye. We are a global-leading specialist manufacturer and provider of flooring and wall cladding solutions, all manufactured in the UK and Germany. Our journey began in 1919 and our success is due to inspired, consistent innovation to match the evolving needs of our customers. Creating functional and decorative products that provide sustainability, safety, hygiene and durability, in the most demanding of environments.

We're not just UK based, we're a family owned, and run, global operation. Working in 75 countries and employing over 600 passionate staff worldwide. Our continual evolution has taken us far beyond the UK with subsidiaries in the USA, Canada, Germany, Spain, Denmark, Sweden, Australia and distributors in more than 50 countries throughout the world.

We combine the perfect blend of contemporary style with the function required to improve and transform the way we all live and work, wherever in the world that may be. At the heart of our culture are our customers, so our Altro consultants are here to assist you with specifications, and our technical team provide back-up pre and post-installation. We are with you every step of the way, every space, every time.

Altro floors

Altro invented safety flooring; it's a product area in which we continue to lead the way, and today can offer you floor and hygienic wall solutions which perform and look good, even after years of hard service.

Safety flooring is of value in areas where the combination of safety, hygiene and durability is vital, such as hospitals, care homes, education and the food and catering industries.

From hard-wearing flooring and safety flooring solutions to smooth flooring, Luxury Vinyl Tiles (LVTs) and resin flooring, our products offer the level of quality and safety you would expect from an experienced commercial flooring manufacturer.

Altro walls

The Altro walls system was introduced to the market over 40 years ago and has been a market leader ever since. Providing you with creative freedom and wide-ranging vision our effective, impervious walls systems include the reassurance of up to a 30-year guarantee delivering a safe, hygienic, decorative and fire-compliant walls solution.

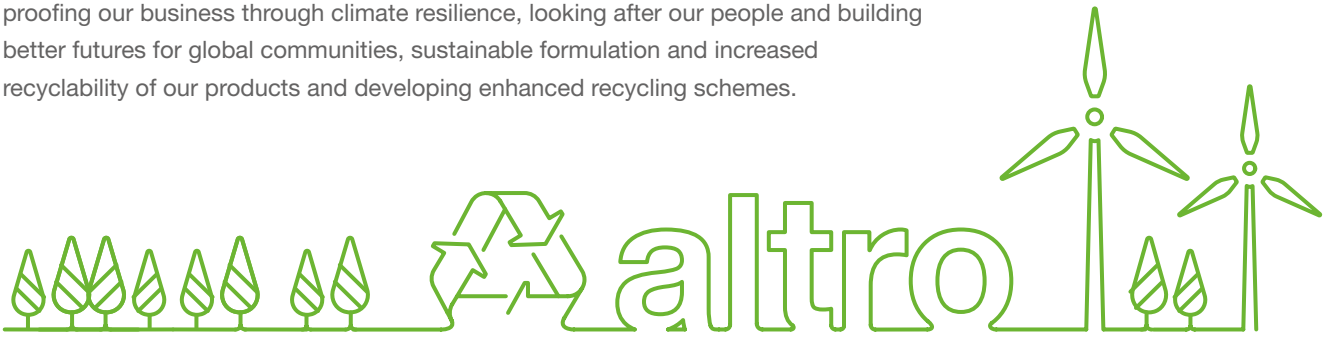

Altro Whiterock offers a choice of hygienic wall sheets - from cool, crisp white to vibrant colours, tile-effect and patterned or personalised wall schemes meaning we can provide you with complete design flexibility for any environment. To complete the look, we also offer Altro Fortis, our protection system for walls and corners in different size options.

Combine our safety flooring with Altro Whiterock™ wall cladding and you can create an integrated system offering optimum hygiene, durability, and design flexibility for specialist areas such as bathrooms and commercial kitchens.

Sustainability

Altro are committed to reducing our carbon footprint, increasing our sustainability activities, and advancing our environmental, social and ethical performance. To demonstrate our commitment to reducing our carbon footprint and increasing our sustainability actions, we are working towards key targets by 2030. These include minimising our carbon impact and future proofing our business through climate resilience, looking after our people and building better futures for global communities, sustainable formulation and increased recyclability of our products and developing enhanced recycling schemes.

Altro safety floors

High slip risk

We have a range of floor solutions which drastically reduce the risk of slipping on water to one in a million. They meet the highest standards of slip resistance around the world and come with a lifetime sustained slip resistance guarantee. They are durable, stain-resistant and can stand up to extremes of temperature and physical wear and tear.

Very high slip risk

Grease, oils and shampoos found in commercial kitchens and wet wet rooms and bathrooms all pose a risk to people walking around, so we offer specialist solutions to keep your risk of slipping to one in a million, even in these tough conditions. Altro specialist safety flooring is designed not only to give you peace of mind but also to create a lasting impression – from the way it looks to the way it works.
