# Laying LVT in unique patterns

## An inspirational guide for installing Altro Lavencia LVT

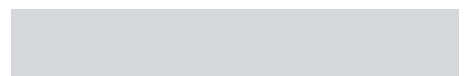

Altro Lavencia LVT is a stylish, low-maintenance option for areas with consistently heavy traffic. With an impressive selection of films to choose from including classic wood tones, coordinating stones, brights and modern organic looks, Altro Lavencia is the premier LVT for commercial applications.

With all that in mind, Altro Lavencia can also be laid out ordinarily or in unique patterns, adding yet another way to improve aesthetic without the need to order special cuts from the manufacturer. As always, all installation procedures in our flooring installation guide must be adhered to regardless of the pattern you choose.

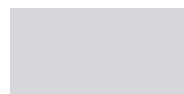

Full installation procedures and additional guidance are available at [altro.com/techdocs](https://www.altro.com/techdocs)

Standard plank - 6" x 48"

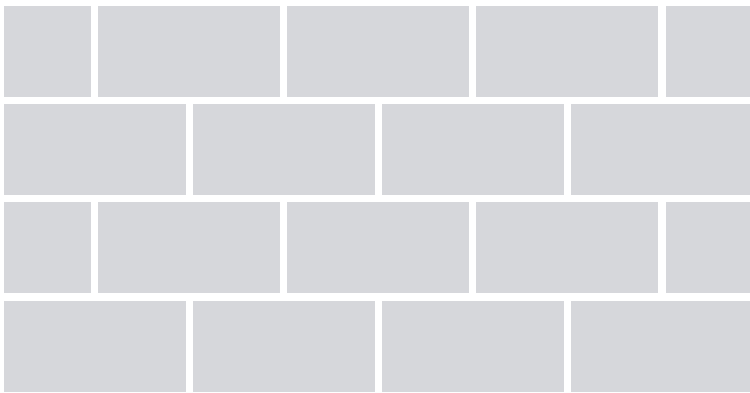

Long plank - 9.25" x 59.25"

Tile - 12" x 24"

### Bond

This layout is offset by half of the length of the plank or tile. Can also be set to a 45° angle for alternate look.

### Suggested shapes

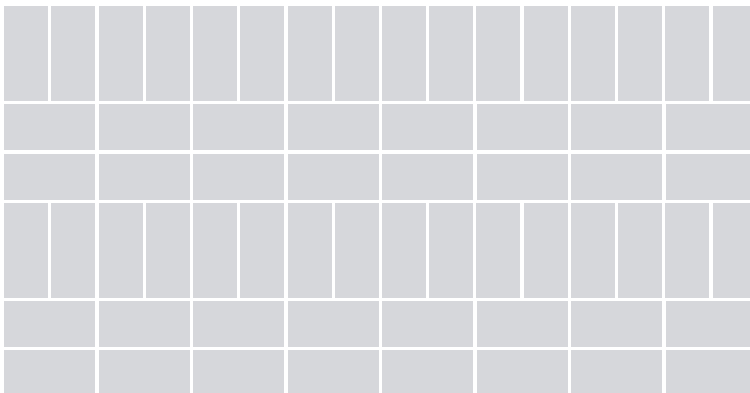

### Grid

Also referred to as a weave, this layout offers a variety of options in terms of mixing colors to create a truly unique environment.

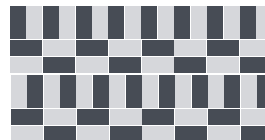

### Suggested shapes

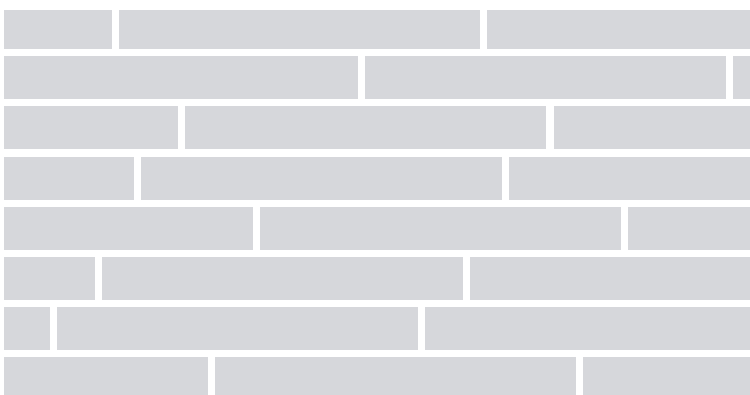

### Stacked

Alternating grids of two tiles running parallel in opposite directions.

### Suggested shapes

### Stripwood

Planks set in no particular order for a more random, natural look.

### Suggested shapes

## Diagonal

Offset pattern set at a 45° angle.

### Suggested shapes

## Herringbone

Also known as a broken twill weave, is a V-shaped pattern resembling fish bone.

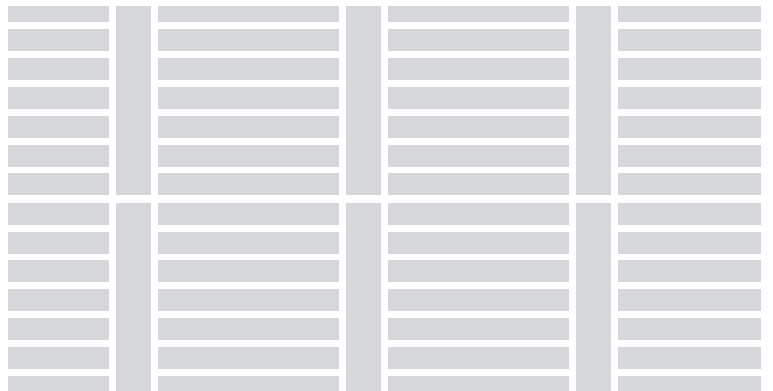

### Suggested shapes

## Corridor

Offset grid pattern of intervening rows.

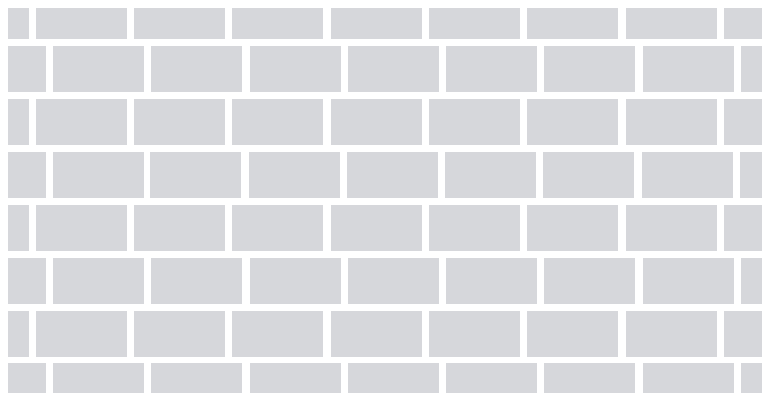

### Suggested shapes

## Stagger

Alternating tiles or planks, offsetting the center line between them.

### Suggested shapes

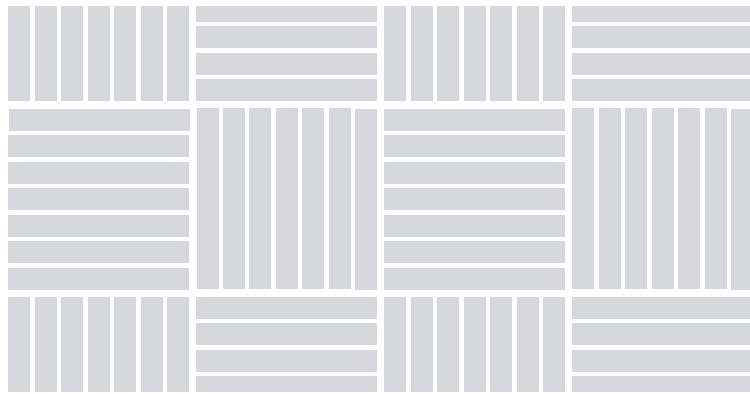

### Wishbone

A double-planked variation on Herringbone.

#### Suggested shapes

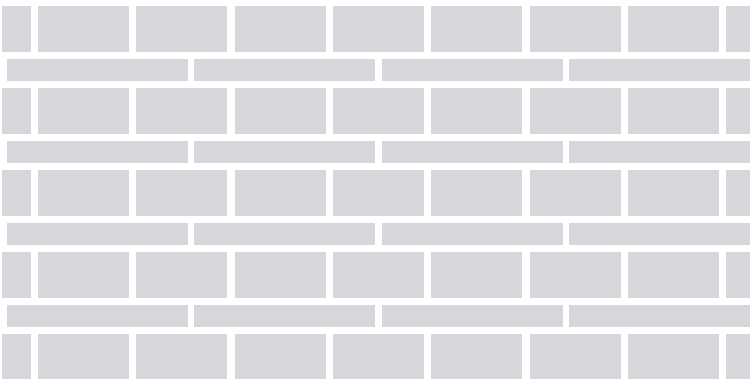

### Mosaic

A grid-type pattern built using multiple planks to form a square.

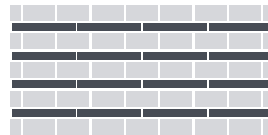

#### Suggested shapes

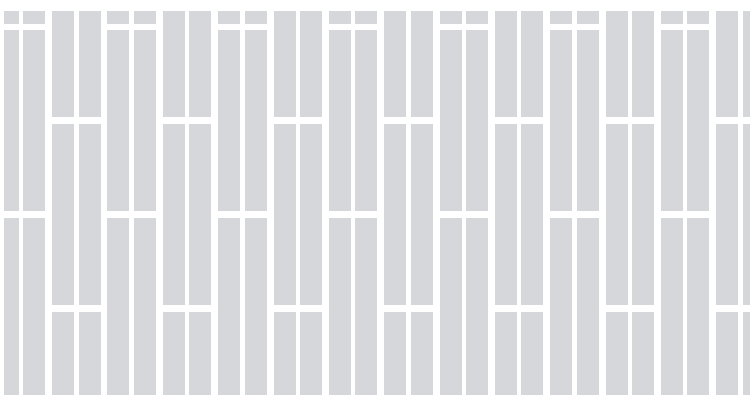

### Shifting bond

A bond variant combining two differently sized planks and tiles.

#### Suggested shapes

### Couplet

A double-plank pattern, offset in parallel lines.

#### Suggested shapes
