Paddington Children's Centre, Australia

Altro perfect solution for children's centre

Issue

Paddington Children's Centre has a strong reputation in the community and broader early childhood sector through their commitment to providing education and meaningful learning experiences in the early years.

They were looking for floor and wall finishes and Altro were more than happy to help.

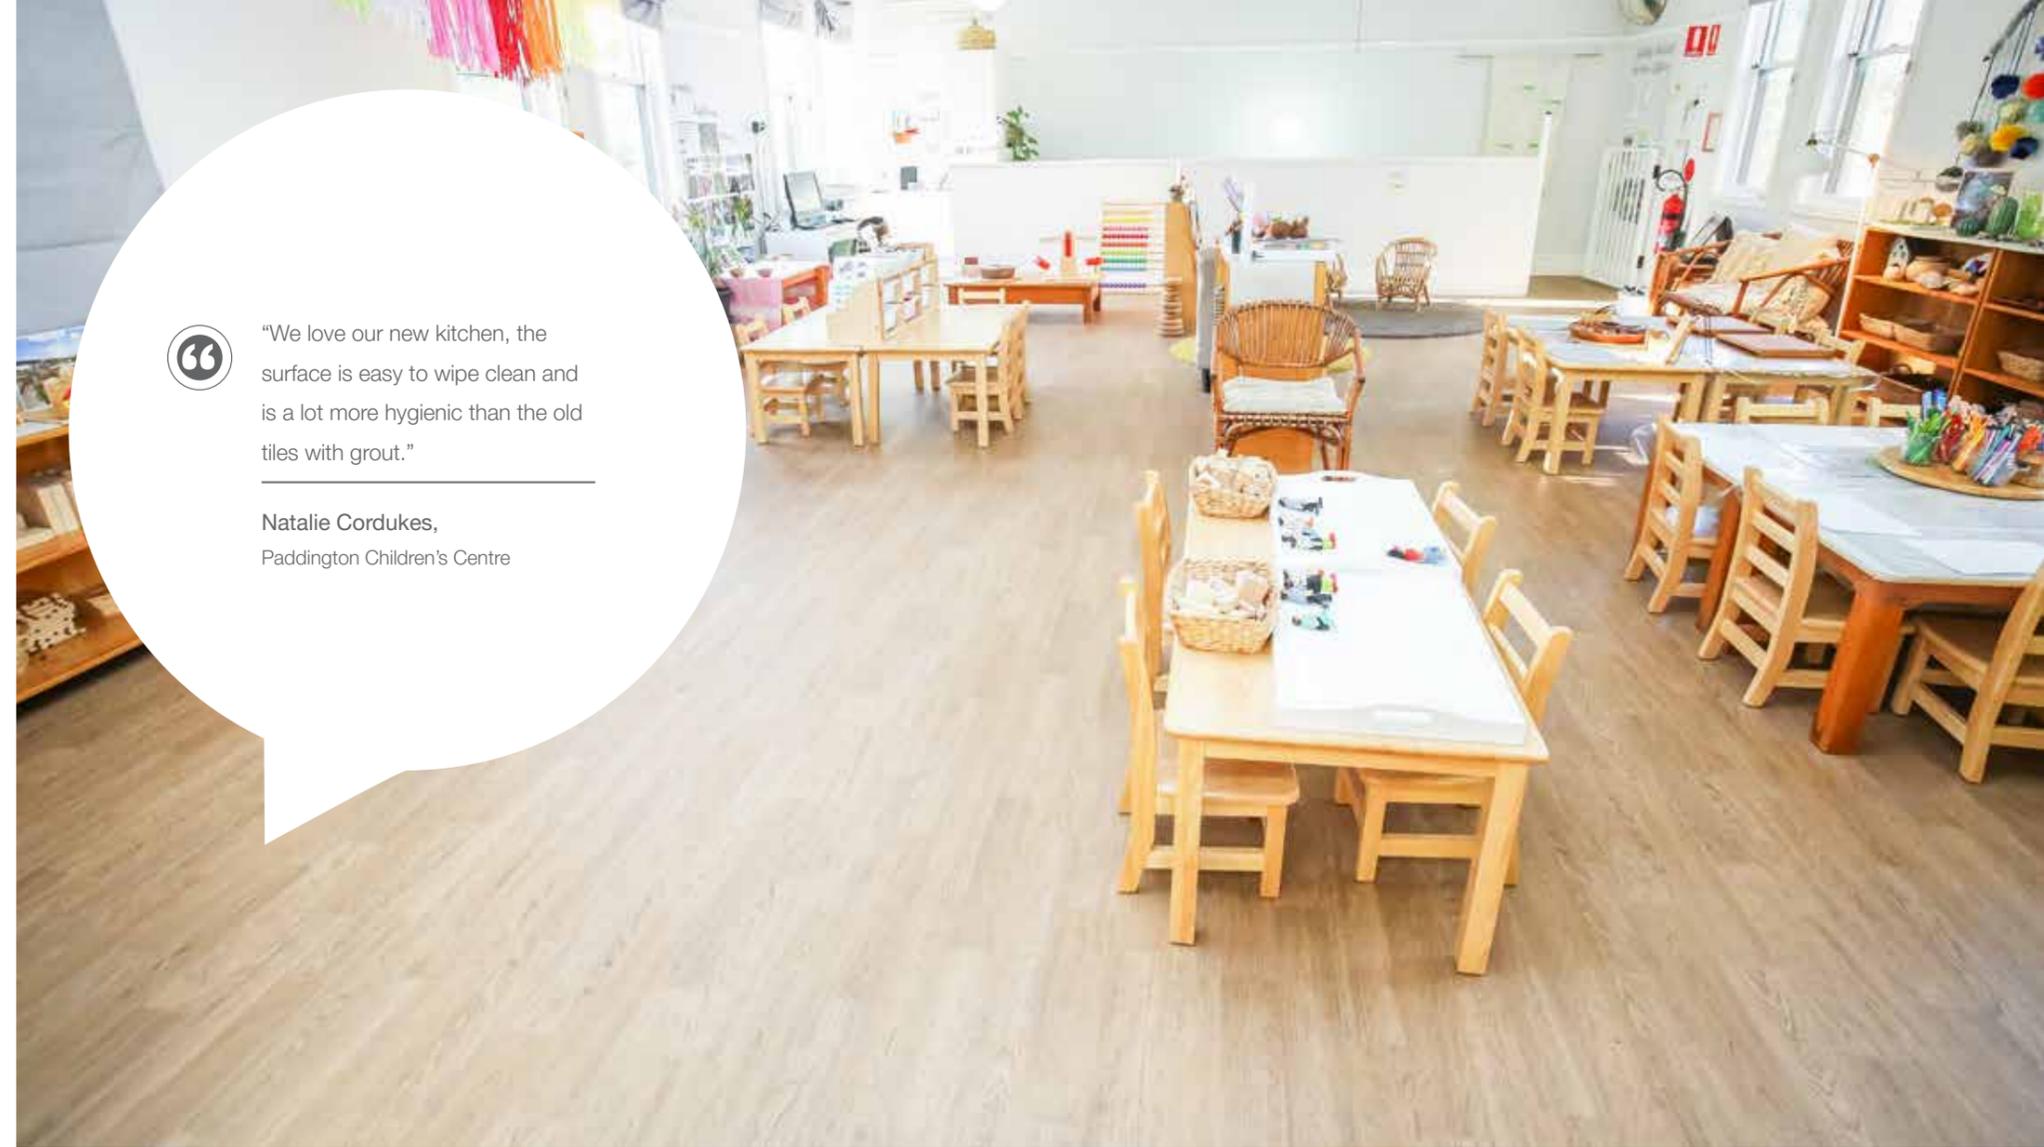

Approach

Altro provided a thorough overview of the product and provided sample options and onsite visits to ensure the right products were chosen to meet the needs of the centre. The installer used Altro Whiterock over the old tiles, resulting in a professional and neat appearance.

Solution

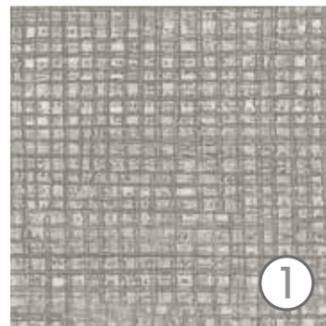

The playrooms have been transformed with Altro Wood Safety. The flooring is easy to clean and provides a homely look for the old heritage listed building, and gives a nice welcoming look for the children and parents.

Altro Whiterock wall sheets and Altro Stronghold 30 were used in the kitchen. Altro Whiterock Chameleon was used as a feature wall and not only added an aesthetic element to the space but serves as a whiteboard to record notes and weekly menus, which can then be wiped off.

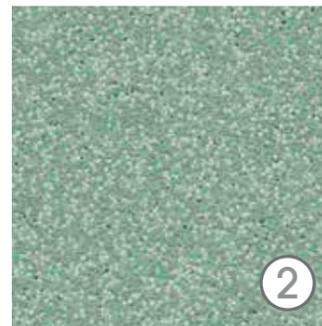

"We love our new kitchen, the surface is easy to wipe clean and is a lot more hygienic than the old tiles with grout."

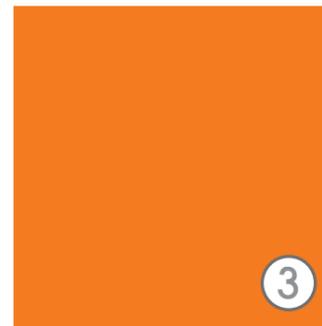

Natalie Cordukes,
Paddington Children's Centre

Looks great with:

1. Altro Orchestra™
2. Altro Cantata™
3. Altro Whiterock Chameleon™

Altro Stronghold 30 achieves Altro's highest rating for slip resistance (PTV ≥55, R12) and is designed to minimise risk in areas exposed to grease, oils and fats for the lifetime of the flooring.

Altro Whiterock is the hygienic alternative to tiles that's impact resistant, grout-free and easy to clean.

Altro Wood Safety is attractive, general purpose 2mm wood-look flooring is available in a range of designs with different plank sizes and shades including a bamboo-look fine-line design and wide plank classic and rustic designs, helping you create the right look for areas where people live and work.
