

Designed for possibilities.
Made for people.

NEW

Altro Transflor Metris™ Custom

Typical applications:

Executive sedans, coach, shuttle, trolley, specialty vehicles, mobility vehicles

Discover Altro Transflor Metris Custom for a difference that's clear.

Altro now offers ultra high definition digitally printed floors for bus and coach. Altro Transflor Metris Custom gives you the widest choice of standard designs available in the transport market, developed in collaboration with industry design experts, or the option to create your own custom design for your vehicle, all printed using our in-house state of the art digital printing technology.

See, hear, and feel the difference: See your design come to life in outstanding print quality. Staff and passengers alike will feel the luxurious comfort underfoot, giving a private travel luxury feel to your vehicles, and with 15dB acoustic performance, enjoy softened engine and road noise. Altro Transflor Metris Custom is also the lightest acoustic floor available for transport applications, making it easier for operators to reach decarbonization targets.

Altro Transflor Metris Custom is available with our self-adhesive and pre-cut flooring service.
