The information provided in this guide is correct at the time of printing. All agents have been tested either pure or in aqueous solution unless otherwise indicated, and based on the formulations at that time. Altro cannot be held responsible for any subsequent changes made by individual manufacturers to the products included in this guide.. For specific advice and the latest information, please contact Altro or check our website [www.altro.com](http://www.altro.com). Altro reserves the right to update this information as and when necessary. In providing this information, Altro does not imply any equivalence between each of the different manufacturers' products, or that products from other manufacturers would be unsatisfactory for use.

Due to the wide variety of materials, site conditions, cleaning schedules and use conditions, the information contained in this guide and otherwise supplied to users is based on our general experience and is given in good faith, but because of the many factors which are outside our knowledge and control, which may affect the use of our products, Altro can give no warranty, implied or otherwise, with respect to such information which can only be treated as indicative.

\*Should not be used as part of a regular cleaning regime. Only use occasionally to remove specific contaminants, such as limescale build-up etc.
