Altro Whiterock™ Whiteboard

Dry-erase overlaminate for Altro wall cladding

Altro Whiterock Whiteboard is a premium clear dry-erase coating that allows for any Altro wall panel to be turned into a custom dry-erase board.

The chemical and scratch-resistant clear gloss surface safeguards against these ghosting and staining from ink as well as graffiti. When compared to other dry-erase boards, Altro Whiterock Whiteboard is remarkably easier to erase.

Its anti-graffiti properties also allow for easy removal of permanent marker with rubbing alcohol.
