Altro Serenade™ product datasheet

Acoustic backed, high design smooth sheet flooring for commercial applications

Altro Serenade

Silence is golden. Whether softening the sounds of little feet or maximizing privacy at work or leisure, acoustic Altro Serenade is more than up to the task. At 3.9mm thick with 19dB impact sound insulation and an IIC rating of 52, not only does it reduce noise, it provides a high level of comfort underfoot, making it a great solution for well-used spaces.

With 17 color and design options, it matches and coordinates with Altro Orchestra and Altro Operetta.

Combine with our extensive range of Altro wall panels for an attractive and durable floor and wall system.

Altro Serenade also looks great paired with Altro Wood, Altro Orchestra or even Altro Operetta.

Typical applications

Healthcare, senior living, education, retail, offices, light gym and recreational areas

Better together

Smooth flooring from Altro gives you what you want - an economical and attractive look that's easy to install and maintain. But, in commercial areas with frequent spillages and hygiene and durability concerns, it's best to let our robust collection of safety flooring, slip-resistant flooring and wall cladding join the team!

Install smooth flooring in the dining room and public areas, and bring safety flooring and wall protection into the kitchen, bar and restrooms. You will rest easy knowing your patrons will have an exquisite experience while the most dangerous areas in your facility are well equipped to handle the tolls of the day.

We strongly recommend carrying out a risk assessment in any area in which the installation of smooth flooring is considered, focusing on the potential risk posed by contaminants.

Altro Easyclean Technology

Rather than using a superficial surface coat, Altro Easyclean Technology is incorporated into the flooring while it is manufactured. This allows Altro flooring to benefit from enhanced cleaning and maintenance while still allowing our products' slip-resistant properties to shine through.

Smooth flooring will have a higher level of Altro Easyclean than a slip-resistant or safety floor.

- Industry-leading ease of cleaning
- Enhanced long-term cleanability
- Cleaning and maintenance cost savings
- Sustained long-term slip resistance
- Exceptional long-term durability
- Low dirt pick-up qualities
- Improved color retention
