Hospice, Ontario

Altro Lavencia™

A design with home in mind

It had to be safe.
It had to be durable.
It had to feel like home.

Putting a loved one into hospice care is difficult. Stedman Community Hospice knows, and wants only the best for its patients - and to put a little ease into the minds of their families.

That's why they chose Altro Lavencia™. With superior slip resistance compared to other LVT, finishes that make it stain and impact resistant and attractive styles that give off that homey, residential atmosphere, Altro Lavencia was everything they needed in one. Their recent new construction used 12,000 square feet of Altro Lavencia.

Affiliated with St. Joseph's Healthcare System, Stedman Community Hospice in Brantford offers hospice services.

Altro Lavencia is Altro's luxury vinyl tile line, and is available in 58 colors and

seven embossing styles. With traditional glue down and adhesive free click together options available, chances are Altro Lavencia will meet whatever task you ask of it.

That's why they chose Altro Lavencia™. With superior slip resistance compared to other LVT, finishes that make it stain and impact resistant and attractive styles that give off that homey, residential atmosphere, Altro Lavencia was everything they needed in one.
