

Designed for possibilities.
Made for people.

NEW AND IMPROVED

Enhancements focused on the road ahead

Altro bus floors have been re-engineered for up to 20% weight savings, but it doesn't end there. We've also introduced a Heavy Duty Plus variant and added a range of other benefits to make the industry's first-choice safety flooring even better.

- Lighter
- Stronger
- Enhanced durability
- Naturally hygienic
- Even better to install

Build quality from the ground up with the lightest 2.7mm safety floor.

The next step in safety flooring

Altro Transflor Chroma™

Typical applications:

Bus, coach, shuttle, emergency vehicles, recreational, specialty vehicles, mobility vehicles, mobile medical units, mobile food, delivery trucks, utility vehicles, people movers, and non-restricted rail.

Newly enhanced, this chip design bus floor is now up to 20% lighter. Further enhanced with increased strength and durability it is engineered for excellent slip resistance, design flexibility and heavy duty performance.

Stronger, more durable and up to 20% lighter, the all new Altro Transflor Chroma offers the perfect balance of performance and design. Offering sustained slip resistance to the most comprehensive range of industry standards, Altro Transflor Chroma mitigates slip risks to one in a million for uncompromised safety. Available in a wide range of colors and two versatile thicknesses - 2.7mm Heavy Duty Plus and 2.2mm Heavy Duty - Altro Transflor Chroma is engineered to meet the most challenging public transport demands.

Why not streamline your installation by using our kit cutting service or self-adhesive options?

lightweight safety flooring for the transportation industry
