Healthcare design manual

Creating engaging, design-led spaces while meeting LRV requirements can be challenging, so we have done the work for you.

In healthcare, performance matters. Research shows that considered finishes can improve patient outcomes, staff efficiency and satisfaction. Good design is a powerful quality improvement strategy.

Explore our carefully curated colour combinations for hospital receptions, patient rooms and wet rooms, developed by Altro's creative team. If you need a solution tailored to your project, get in touch - we are here to support your scheme.
