## Modern office chooses innovative flooring solution

### Issue

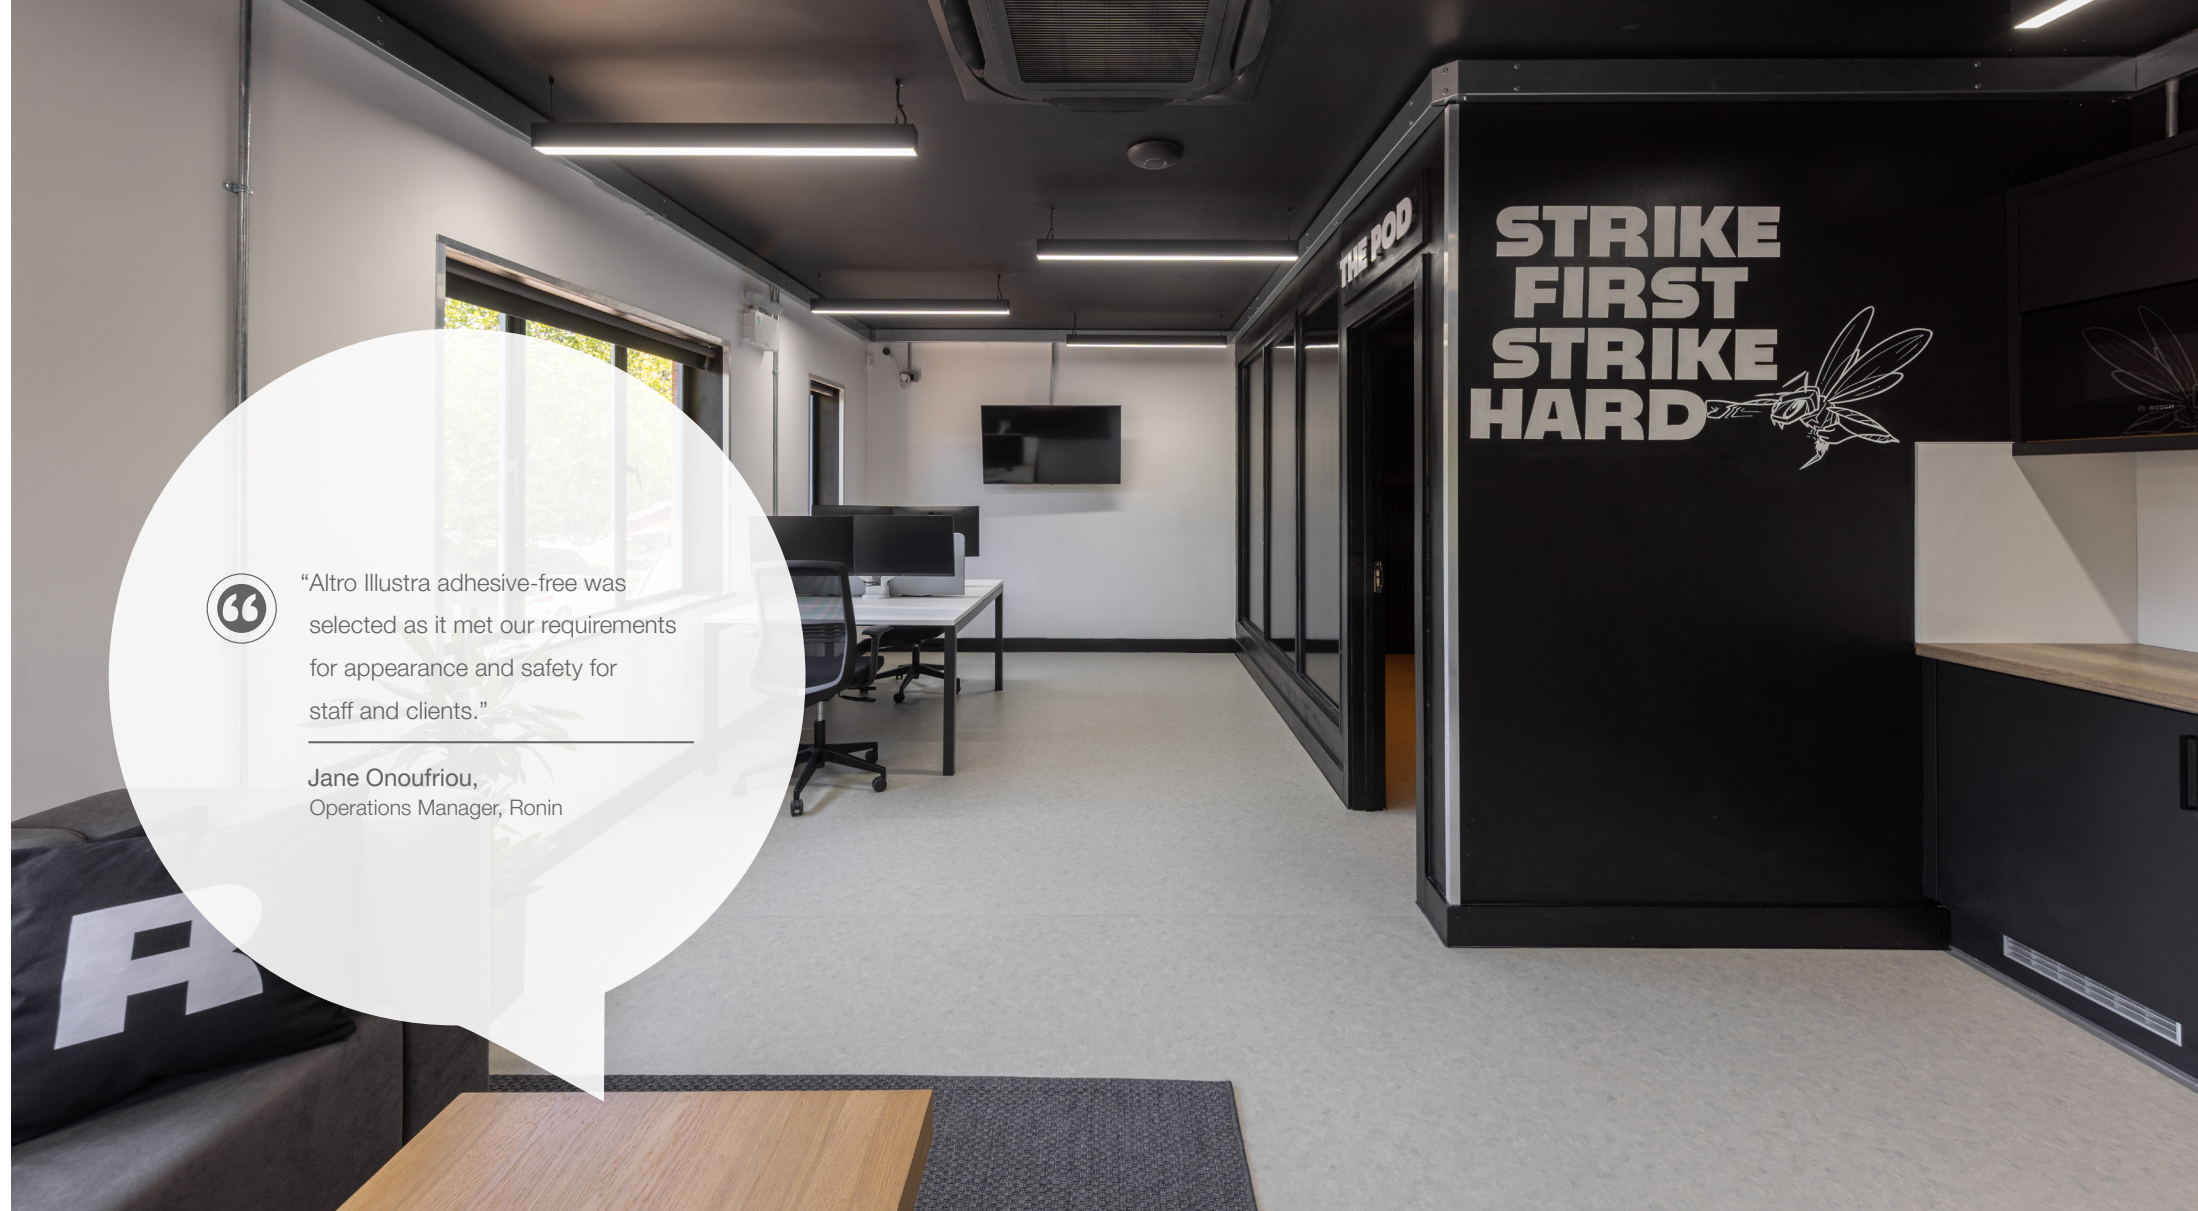

Ronin are recruitment specialists and refurbished their new office with a design to reflect their value of best quality services. The modern offices feature revitalised working spaces, break-out areas, a kitchen and hot desks. To fit with the contemporary theme, the space needed a natural, stylish floor which could be fitted with the least amount of disruption.

### Approach

The Ronin team discussed possible options with Altro and opted for a carbon-saving, adhesive-free floor with natural aesthetics that could provide the design-led style, together with safety, low maintenance, and durability.

### Solution

Altro Illustra adhesive-free in colour Cobblestone was selected for the offices due to its neutral, design-focused features. With PTV >36 slip resistance, Altro EasyClean Technology and a 10-year guarantee Altro Illustra adhesive-free provides a naturally safe, clean, simple yet effective design with ease of installation and no associated adhesive odours.

“Altro Illustra adhesive-free was selected as it met our requirements for appearance and safety for staff and clients.”

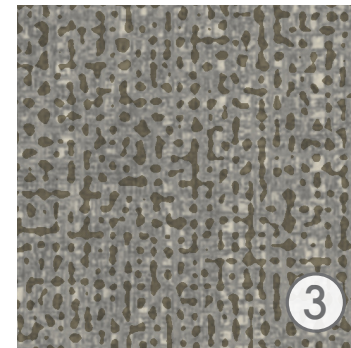

Jane Onoufriou,  
Operations Manager, Ronin
