Installation

Hygienic wall panels in chic tile designs

Half-lap

Panel edges are beveled to fit on top of one another. Creating a smooth, water-resistant joint.

Interlocking

Tiles protrude from each panel to form an easy, puzzle-like interlock for use in dry areas.

Two-part joint strip

A color matched joint strip joins two straight-edge panels with ease.

better together

In areas of frequent spills, hygiene and durability concerns, it's best to let our robust collection of safety flooring and functional wall cladding take the lead.

Install decorative wall cladding with slip-resistant or aesthetically pleasing smooth flooring in the public spaces.

Rest easy knowing your patrons will have an exquisite experience while your most dangerous areas are well equipped to handle the tolls of the day.

We are here to support you with all your commercial flooring and wall cladding needs.
