

Designed for possibilities.  
Made for people.

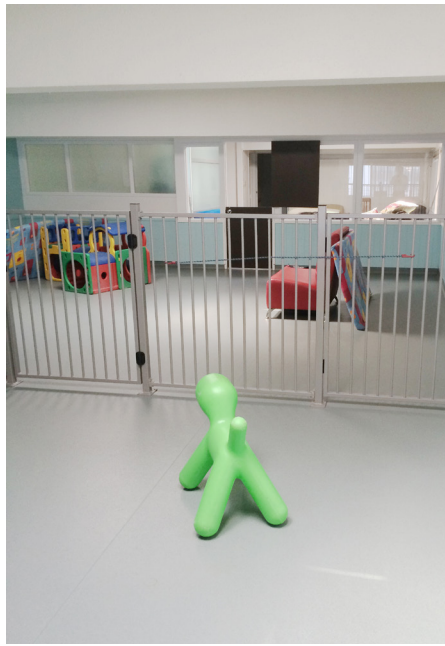

Altro case study:  
**Dog HQ**

**Case Study:**  
Dog HQ

**Location:**  
New Zealand

**Product:**  
Altro Xpresslay™

“

*“As the owner of the business I was looking for a floor covering that would be waterproof, slip resistant, easy to clean and ideally be easy to remove at the end of my tenancy in regard to any “make good” clauses. Altro XpressLay ticked all the boxes and has performed superbly for the 18 months that it has been down. I have now decided to install more XpressLay to improve flooring in another space in our facility.”* **Louise O’Sullivan, Owner, DogHQ, Glenfield, Auckland.**

”

DogHQ is a dog daycare centre which places great importance on making sure the dogs in their care are managed with highest care and safety.

Being an adhesive free safety floor it can be easily removed post-installation, re-used elsewhere and then at the end of its life be recycled.

Altro XpressLay was the perfect choice for DogHQ providing ultimate slip resistance and containing Altro Easyclean Maxis PUR technology for enhanced cleanability and hygiene.
