

Designed for possibilities.

Made for people.

NEW METALLIC-LOOK

A shining example of style and substance

The transition to zero emission buses has seen an increased demand for new look designs, which deliver a wow factor for riders while still providing assured safety and durability. So in response to demand, Altro are pleased to introduce Altro Transflor Chroma Platinum. The only metallic-look safety floor available in a heavy duty plus formulation.

- Lightweight
- Durable
- Easy to clean
- Naturally hygienic
- Industry-leading warranty

If you want high design looks, with heavy duty performance then Altro has the answer.

Altro Transflor Chroma Platinum™

Typical applications:

Bus, coach, shuttle, specialty vehicles, mobility vehicles, mobile medical units, people movers, and non-restricted rail.

Taking its name from the noble metal renowned for its timeless elegance and hard-wearing properties, Altro Transflor Chroma Platinum is a high design, metallic-look floor able to withstand the intense demands of a heavy bus environment.

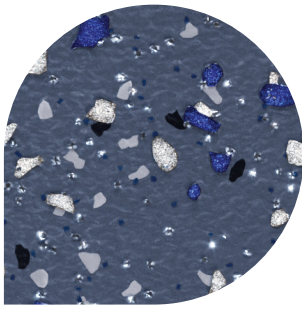

Altro Transflor Chroma Platinum is available in two thicknesses – 2.2mm* heavy duty and 2.7mm heavy duty plus – and offers peace of mind with an industry leading 15-year warranty on the 2.7mm option. Pair this with Altro's assured slip resistance which mitigates slip risk to 1 in a million and you can be confident that Altro Transflor Chroma Platinum has both style and substance.

lightweight safety flooring for the transportation industry
