- Assisted living communities
- Schools and universities
- Early childcare centers
- Multifamily housing
- Lobbies and waiting rooms
- Office buildings
- Retail shops
- Hallways
- General circulation areas
- Assembly halls
- Government buildings

Altro Melodico Smooth™

Altro Melodico Smooth is a hard-wearing, durable and stain resistant smooth flooring range designed with visually appealing and comforting patterns. The warm color tones were specifically chosen to help create a home like atmosphere.

The anti-reflective, matte finish prevents mirroring effects which make Altro Melodico Smooth particularly suitable for care facilities, assisted living and retirement communities. The foam backing assures comfort underfoot while reducing the ambient noise level. The non-directional design contributes to ease of installation. It is easy to maintain and can be welded to provide a hygienic surface.

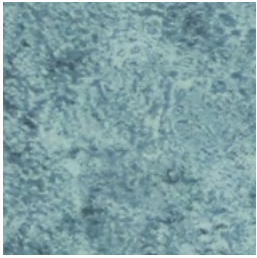

We strongly recommend carrying out a slip risk assessment in any area in which the installation of smooth flooring is considered, focusing on the potential risk posed by contaminants from spillages.

Thickness	.08" 2.0mm
Wear layer	0.7mm
Roll length	66' 20m
Roll width	6'7" 2m
Weight	4.95lb/yd ² 2.68kg/m ²
Warranty	10 years
Sound insulation	ca. 4dB

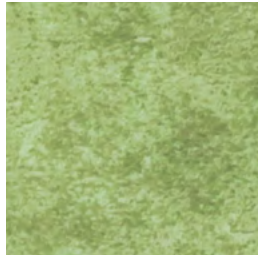

Slip Resistance ASTM D2047 DIN 51130 BS 7976 TRRL	.70 Dry .80 Wet R10 36+
Critical radiant flux ASTM E648	Pass Class 1
Smoke generation ASTM E662	<450 Pass
Surface Burning CAN/ULCS-102.2	Tested
Static load limit ASTM F970	1500 psi
