“

“We are delighted with our new kitchen. The Altro K30 looks fantastic in the Abyss colour and meets all the safety requirements for a busy kitchen. It was really important for the floor to be safe and comfortable to walk on and we know we have made the right decision. The product is easy to clean, durable and looks fantastic. We are confident the floor will stay that way for many years to come” - **Bethany Finn, Executive Chef, Mayfair Hotel**

”

Altro Stronghold 30/K30™

Offering luxury accommodation and contemporary dining this 5 star hotel in the heart of the city is surely Adelaide's most iconic hotel. The magnificent Mayfair Hotel recently updated their busy kitchen and came to Altro for a safety flooring solution to match their elegant interiors.

Altro Stronghold/K30 was installed throughout providing an R12, P5 for slip resistance. Altro Stronghold 30/K30 is frequently specified for commercial kitchens because it's designed for use in kitchens where grease, oils or fats may be present.

The product has Altro's highest rating for slip resistance in areas of heavy traffic. It also offers long-term durability and ease of cleaning and its 3mm thickness provides added noise reduction, comfort and strength underfoot.
